

### **Suggested 4 day 3 nights itinerary**

The following itinerary incorporates the Alunan Coral Project activities (\*) into your stay. We can personalise the itinerary based on your requirements. For the basic coral project activities, we do request a minimum donation to cover our operational and material costs. Activities such as snorkeling and diving are chargeable. Please contact us to create a holiday experience that makes a difference!

#### **Day 1: Arrival Day Arrive Alunan Office Kuala Besut 7:30 am**

- 7:30 am Explore Kuala Besut (Try the famous Nasi Dagang and Nasi Kerabu at the Jetty)
- 8:30 am Boat transfer to Alunan Resort
- 9:30 am Arrive at Alunan Resort & Arrival Briefing
- 1:00 pm Lunch in Bayu Restaurant
- 2:00 pm Check-in
- 4:00 pm **\*Introduction - Alunan Coral Project, rubble collection & coral pot casting**  
*Briefing by our marine biologist about the importance of coral, and why we must protect them. Hands on team activities - collect rubble and fabricate coral logs and pots.*
- 8:00 pm Dinner in Bayu Restaurant

#### **Day 2 Pulau Rawa Eco-Snorkeling & Coral Rehabilitation**

- 7:30 am Breakfast
- 10:00 am **\*Guided Pulau Rawa snorkeling**  
*The best of Perhentian experience. Due to the further proximity of Pulau Rawa, the corals are generally healthier. Our marine biologist will be your personal guide to give you in-depth knowledge and fun facts about the marine life. Play your part with a beach clean up and end the trip with our famous BBQ by the beach.*
- 1:00 pm Lunch in Bayu Restaurant
- 5:00 pm **\*Coral planting**  
*The next step in our reef rehabilitation process is coral planting. Learn about how corals propagate, and the methods employed in reconstructing a reef. Plant a coral and make it yours by giving it a name.*
- 8:00 pm Dinner in Bayu Restaurant

**Day 3 Explore Perhentian Kecil & Up Close with the Coral Nursery**

7:30 am Breakfast

8:00 am **\*Explore the Alunan Coral Nursery**

*Go underwater to get up close and personal with the coral nursery and plant your corals with the Discover Scuba Diving activity. Learn basic safety guidelines and key skills under a dive professional who will accompany you throughout the dive. An excellent underwater photo opportunity!*

1:00 pm Lunch in Bayu Restaurant

4:00 pm Free and easy - Hike to windmill viewpoint, or watch the sunset from our sailboat or private beach

7:30 pm Seafood BBQ on the deck.

**Day 4 Departure Day**

7:30 am Breakfast

11:00 am Check-out

12:00 pm Boat transfer to Kuala Besut Jetty
