

The logo for Vayu Spa & Wellness features the word "vayu" in a stylized, lowercase, serif font with a light beige color. The letters are interconnected, with the 'v' and 'a' sharing a vertical stroke, and the 'y' and 'u' sharing a vertical stroke. Below "vayu", the words "Spa" and "Wellness" are written in a smaller, clean, sans-serif font, separated by a small decorative flourish that resembles a stylized 'y' or a drop. The entire logo is centered within a dark green square, which is itself centered on a larger background of a repeating pattern of light green, swirling, organic shapes.
